About The Resort

Dedicated to the pleasures of Carolina coastal living, The Resort At Ocean Isle Beach provides great views, waterside fun and sport, and unforgettable Island sunsets.

This gem of a community can be found at the very desirable middle to west end of the Island. The Resort At Ocean Isle Beach offers second row, third row, fourth row and sound-front building lots for investment or vacation home building. A private ocean-front Beach Club allows residents to relax in the community pool or easily walk to the secluded and pristine sandy beach area in front of The Resort.
